

ELYDECOR
Design without limits.

RV & MOBILE HOMES

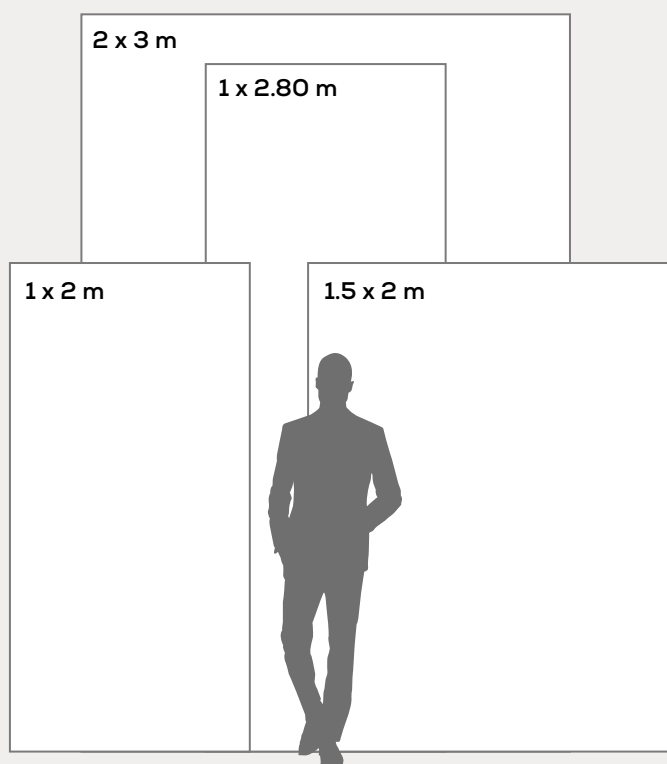

ELYDECOR

TRANSFORM INTERIORS INTO CONTEMPORARY AND DISTINCTIVE SPACES, WITHOUT LIMITS.

Elydecor by Brianza Plastica is a high-end composite laminate featuring design-forward finishes, developed for cladding the interior walls of motorhomes, caravans and mobile homes to create luxurious and exclusive bespoke spaces.

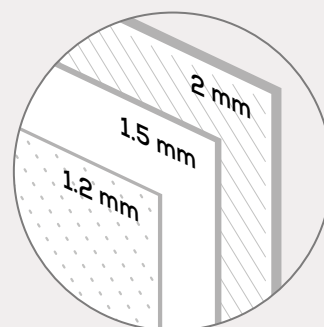

Exceptionally thin and lightweight, this material maximises interior space while keeping the vehicle's overall weight to a minimum.

Elydecor transforms interiors into modern, personalised environments, offering highly durable surfaces resistant to everyday wear and tear and easy to clean.

Other sizes available on request.
